

# 2D TOWER DEFENSE [COMPLETED]

Contact me : [Work.nhatquang@gmail.com](mailto:Work.nhatquang@gmail.com)

To change the game information, please complete the instructions:

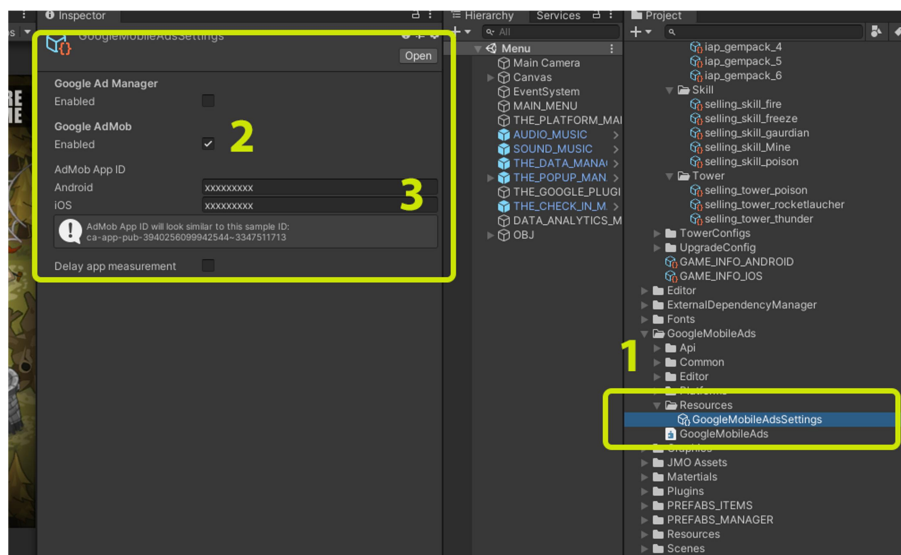

## 1. GAME INFO:

Complete your information as shown, this is the information that the game will display.

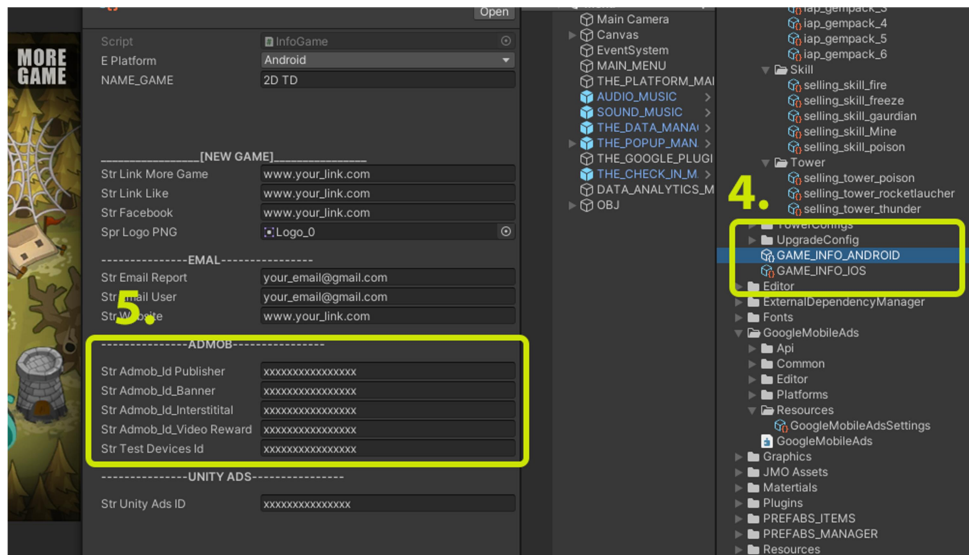

## 2. GOOGLE ADMOB

In order for Google Ads to show up in the game, you must complete the following steps:

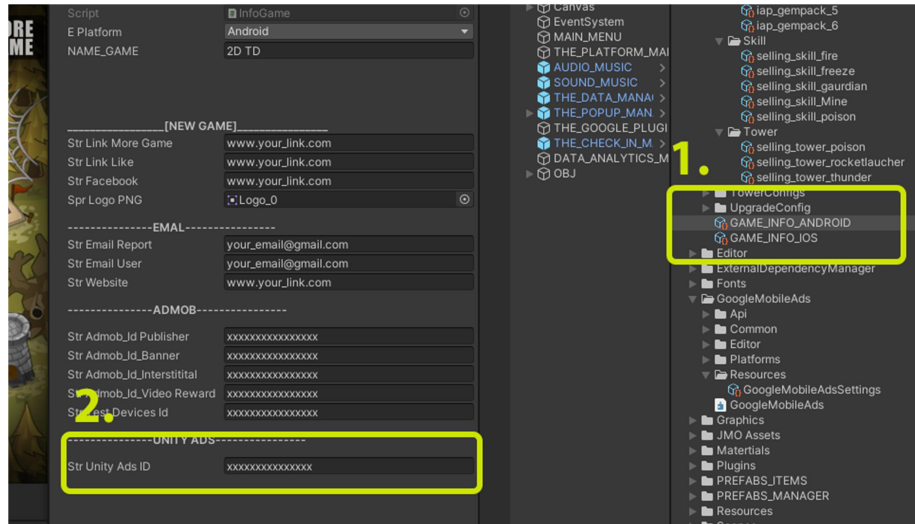

In step 3, you enter your Admob App ID information.

In step 5, you have to fill in your ad information from admob: Banner, interstitial, rewarded video ...

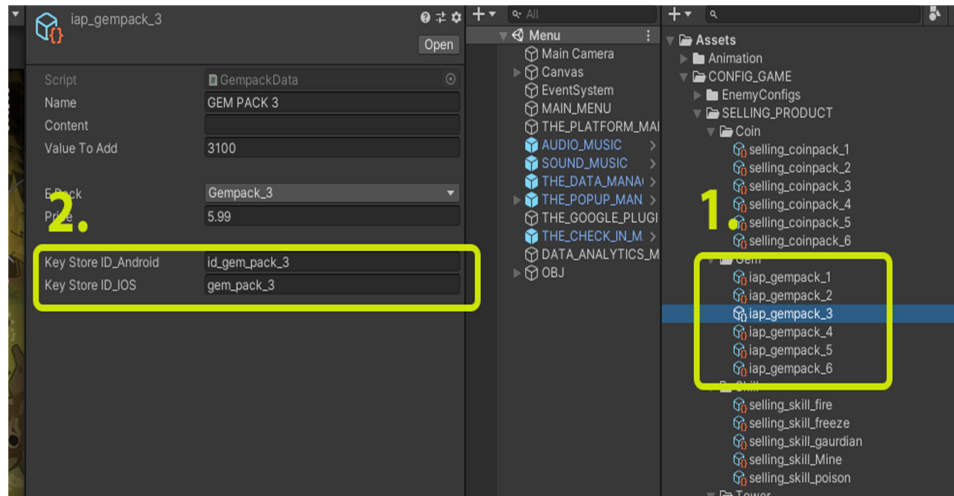

### 3. UNITY AD

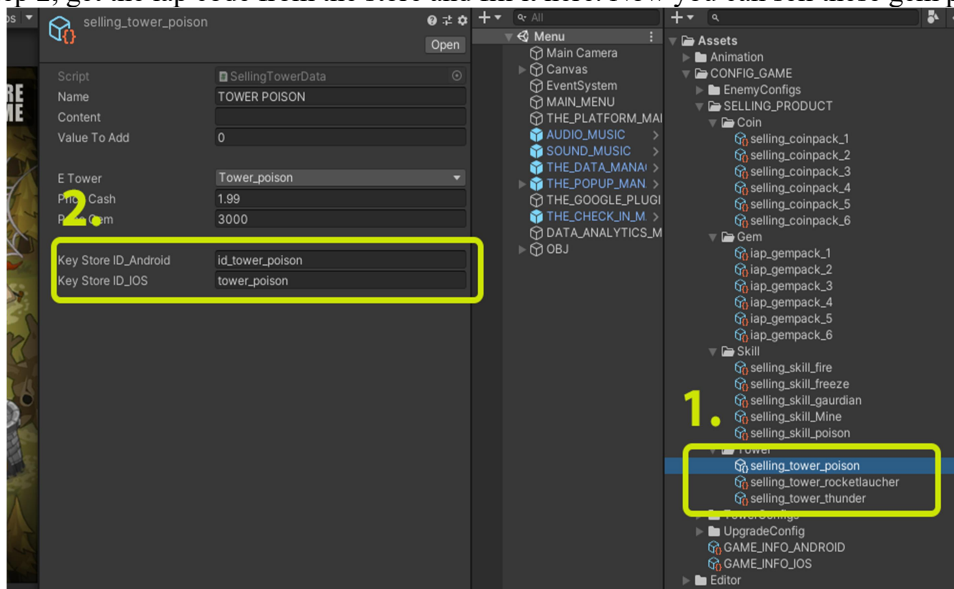

In step 2, take your Unity Ads Id and complete them.

### 4. IAP

Complete the information as shown, so you can sell items in the game. Including: Gem and tower.

In step 2, get the iap code from the store and fill it here. Now you can sell these gem packs!

Similar to the above, in step 2, you get the iap code to register, and sell towers.

**You are very good!**
